SPEAKER: Melanie Gibson Barton became a full time professional speaker – regularly giving three talks a day

Her colourfully illustrated '**Bruges - it's more than just chocolate**' talk is wide-ranging and gives insight into another culture, encompassing the history and geography, together with all the modern aspects of the attractive Flemish city in Belgium. Melanie provides an insider's view having spent many years living in Bruges to prove that the Gothic city represents more than just chocolate. The talk is just one of seventeen talks that Melanie provides to a wide variety of groups since 2012 from audiences from 6 to 600. Her full list of talks can be found at www.toosntelling.com

When booking, please indicate whether you prefer a vegetarian (V) meal and if you would like cheese and biscuits (C & B) instead of dessert. The choices cannot be made on the night. If you are unsure of your order, the choices you made will be available from Alan Milnes. Alan will also give you a "V" or "C & B" label to display for the benefit of the waiters, if these were your choices.

To book and indicate your choices, which must be done by noon on Monday 1st April, please phone **Ian Galletti on 01959 562075** or email him at iangalletti@btinternet.com.
